

Leisuretowne Evacuation Instructions

After being alerted about an emergency situation that requires evacuation, you will need to:

If you have your own means of transportation

- Get your family disaster supply kit/Documents.
- Turn off all your utilities, water, gas, and electric.
- Lock up your home.
- Follow the dedicated evacuation routes.
- Fire Police will be at designated points to help you.

If you need transportation

- Get your Family Disaster Supply Kit/Documents.
- Turn off all your utilities, water, gas, and electric.
- Lock up your home.
- Proceed to your Leisuretowne bus stop. During times of inclement weather or a hazardous condition, stay in your home and call 859-2736 for transportation
- Wait for an evacuation bus

If you are Pre-registered for Special Needs Transportation

- Get your Family Disaster Supply Kit/Documents. (Emergency personnel will help you)
- Turn off all your utilities, water, gas, and electric. (Emergency personnel will help you)
- Await emergency personnel for transportation.
- Lock up your home. (Emergency personnel will help you)

If you are not Pre-registered for Special Needs Transportation

- Call 911
- We will get to you as soon as we can.
- Get your Family Disaster Supply Kit/Documents. (Emergency personnel will help you)
- Turn off all of your utilities, water, gas, and electric. (Emergency personnel will help you)
- Await emergency personnel for transportation.
- Lock up your home. (Emergency personnel will help you)
