

## Brick fundraiser for Main Street Park

The Southampton Township and Vincentown Garden Club invite you to be a permanent part of the new Main Street Park in Vincentown Village by purchasing a commemorative, engraved brick. The bricks will be placed in the walkway through the center of the park, leading from Main Street to Plum Street.

Personalize your custom brick with the name of your family, business, or to honor a loved one's memory. You can also commemorate a special anniversary, the birth of a child, or a graduate in your family. The options are endless! (We reserve the right to approve text content.) The proceeds from all brick sales will go towards the park.

## All orders are due by July 20, 2016

Cost is \$75.00 per brick. Please enclose order form as well as payment method chosen.

Payment options include:

- Check made payable to Southampton Township
